To Whom It May Concern:

Hartman Snow and Ice Control has been a proven leader in the snow removal business for the Chicagoland area for the past twenty years. We service a diverse client base including multiple banks, shopping centers, restaurants, medical facilities, multi-family unit developments and more.

There are many reasons Hartman Snow and Ice Control outweighs the competition. We are a year round snow management company who values our customers and strive for customer satisfaction. We put our customers at ease before the storm by consistent communication. As our future customer, you have the opportunity to take advantage of our team of highly professional Snow Operators. We work day and night to ensure that your property remains safe and accessible during the most harsh winter conditions. Our 24 hour storm emergency management team will respond quickly to changing weather conditions and immediate customer needs. We offer services for every budget; you can contact us for more details.

Thank you in advanced for your consideration. Please feel free to contact us with any questions at 708.403.8433 or www.hartmanlandscape.net and click on snow services.
